Dear Sir:

I, Craig W. Mueller, am an attorney of record in relation to the above-noted patent application and am authorized to sign this document on behalf of the inventors William E. Kugler and Stephen J. Knight, III (the "Inventors"). The Inventors are the co-owners of the entire right, title and interest in and to U.S. Patent Application Serial No. 10/646,090 for a NON-THREADED APPARATUS FOR SELECTIVELY ADJUSTING THE ELEVATION OF A BUILDING SURFACE filed in the U.S. Patent Office on August 22, 2003 and U.S. Patent Application Serial No. 10/831,514, filed April 23, 2004. I hereby disclaim, on behalf of the Inventors, the terminal part of any patent granted on U.S. Patent Application Serial No. 10/646,090 that would extend beyond the expiration date of any patent granted on U.S. Patent Application Serial No. 10/831,514, and hereby agree on behalf of the Inventors that any patent granted on U.S. Patent Application Serial No. 10/646,090 shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent Application Serial No. 10/831,514, this agreement to run with any patent granted on U.S. Patent Application Serial No. 10/646,090 and to be binding upon the grantees of such patent and their successors or assigns.

I do not disclaim any terminal part of any patent granted on U.S. Patent Application Serial

No. 10/646,090 prior to the expiration date of the full statutory term of any patent granted on U.S. Patent Application Serial No. 10/831,514, in the event that such patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims cancelled by reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The evidentiary documents accompanying or referred to in the instant Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of the attorney's knowledge, title is in the Inventors.

The Examiner is authorized to debit Deposit Account No. 19-1970 for the statutory disclaimer fee of \$65.00 as specified under 37 C.F.R. 1.20(d).

Respectfully submitted,

SHERIDAN ROSS P.C.
